

MUKI

BY

AGUASANTA
Signature boutique developments

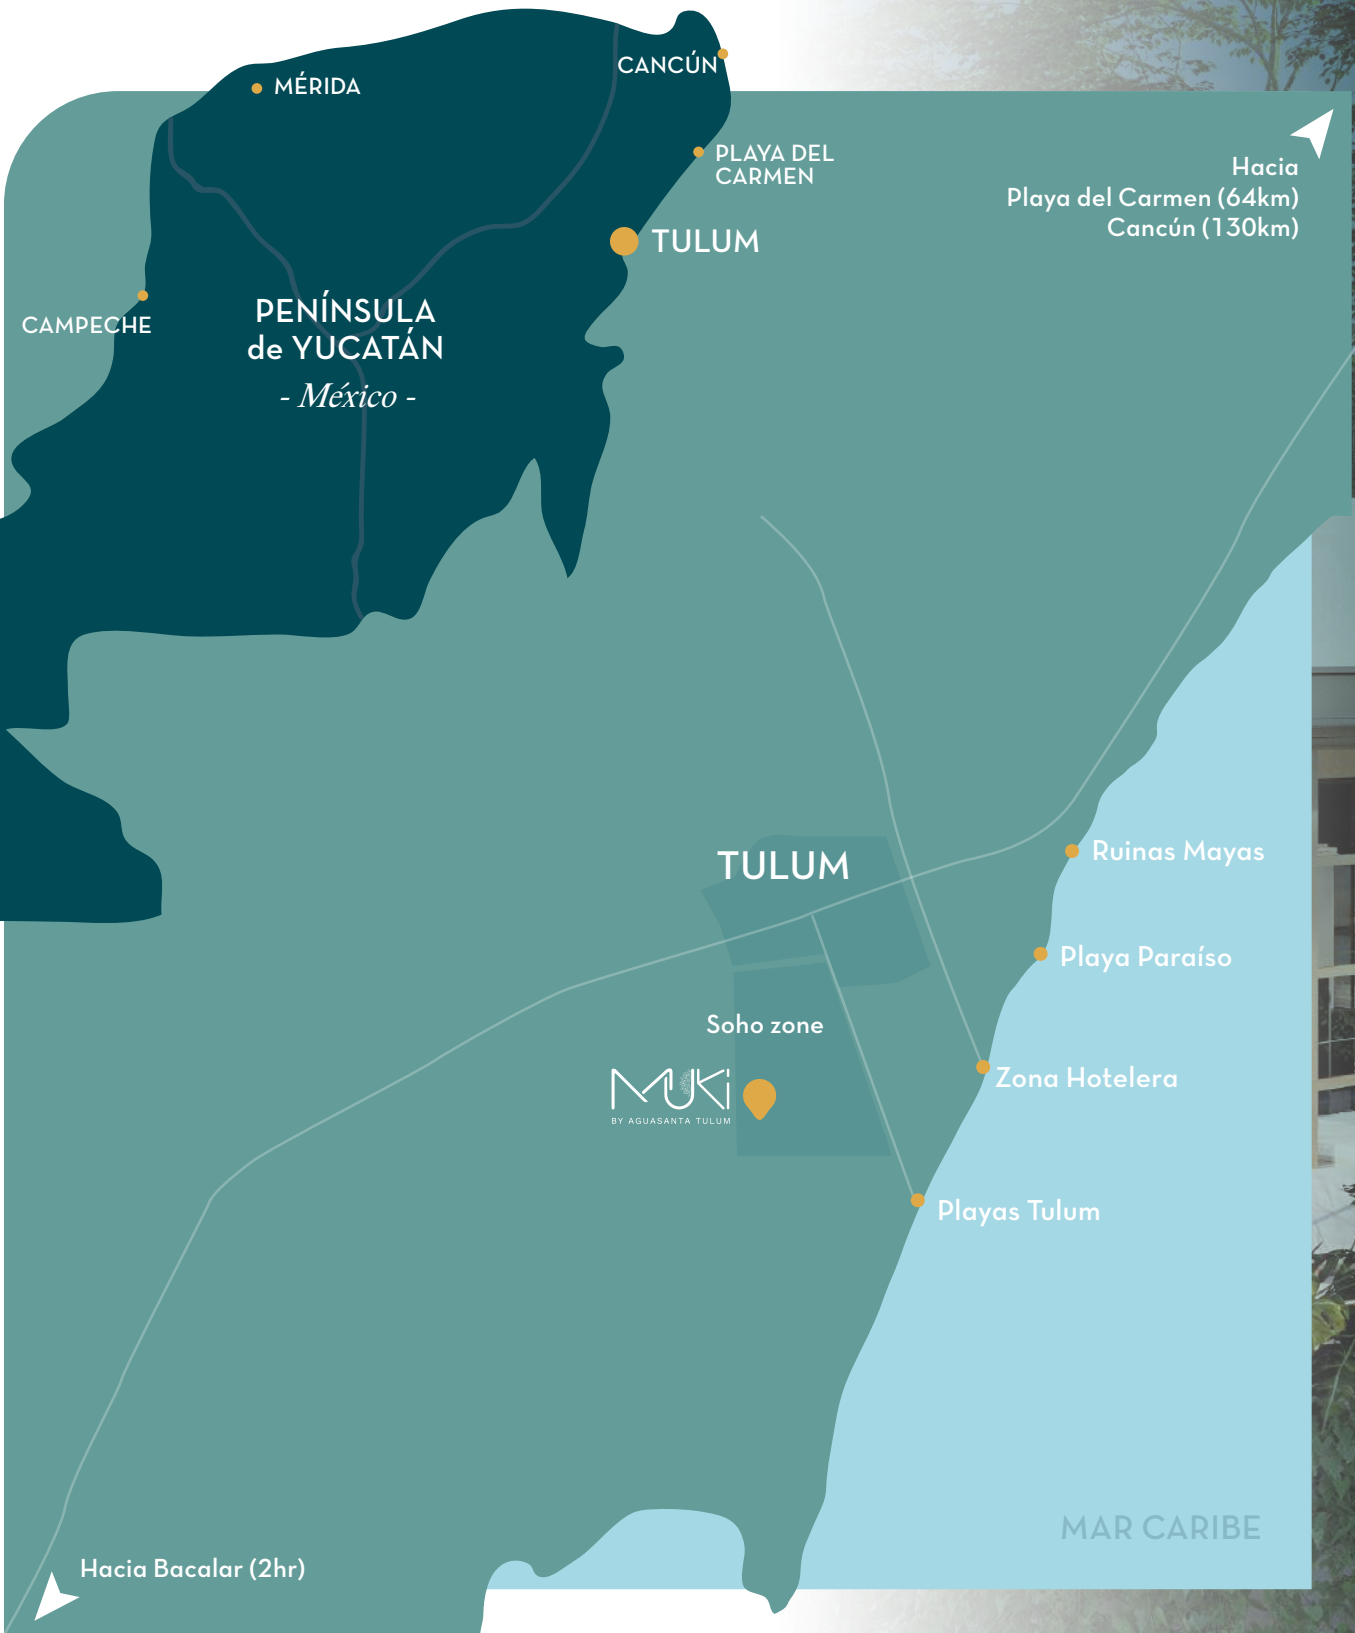

A photograph of a private pool deck. In the foreground, there is a swimming pool with clear blue water. Behind the pool is a wooden deck with two white wicker lounge chairs and a small round table. A light-colored wall is behind the chairs, and large monstera plants are growing over the wall, partially obscuring it. The background shows a dense tropical forest.

MUKI

ONE BEDROOM

Jungle Villas

MUKI by Aguasanta Tulum is an exclusive signature boutique development that consists of 8 one bedroom units. Muki was uniquely designed to reflect its meaning an essence: Abundance, this being the main characteristic of the project. Large spaces, large windows, amazing views, private pools in each unit, custom designed furniture, and privacy.

MAR CARIBE

a Magical
area

Located in the SOHO area of the Riviera Maya in the heart of the jungle of Tulum, MUKI was born to offer a lifestyle inspired by the magic, mysticism, possibilities, and the natural wonders of Tulum, creating an atmosphere of peace, balance, and privacy.

MUKI

ONE BEDROOM

Jungle Villas

The Aguasanta boutique development brand continues to grow in Tulum with Muki being the 3rd development to soon sell out and be part of the already successful chain of high producing ROI focused developments. To achieve this every space of Muki's design was well thought of when it comes to creating user/living experience. As a result, this creates a high demand and long-term appreciation of this unique asset.

Turnkey investment option

Full service hassle-free rental administration specializing in rental strategy, administration, and unit care.
